

CW5 Michael L. Keith,
Transportation Corps Regimental Chief Warrant Officer

CW5 Michael Keith began military career with the US Coast Guard. He joined the Coast Guard immediately after high school and served both OCONUS and CONUS during his enlistment.

After a short break in service he entered the army and was initially assigned with the 2nd ACR in Bayreuth, Germany as a Cav Scout/Armored Crewman.

A tour as a recruiter followed that assignment with, then SFC Keith, recruiting in Eau Claire, WI.

Pinned as a CW2 in Jul 85 he began his career as an Army Marine Engineering Officer (881A). As an army mariner CW5 Keith has been assigned to marine transportation companies and army vessels both OCONUS and CONUS serving in positions as a unit/vessel maintenance officer, chief engineer, Transportation School Instructor, BN and BDE staffs, Combat Developer and currently as the Transportation Corps Regimental Warrant Officer.
